Sir:

During a recent telephone call from Examiner N. Gonzalez, applicants were informed that an office action dated March 5, 2004, had been mailed in the above-identified application to the undersigned's old address. Attached is a Change of Correspondence/Association with Customer Number form for this application.

It is unclear why this application was not associated with Customer Number 26474, and thus the address change was apparently not recorded by the USPTO.

It is respectfully requested that the office action dated March 5, 2004, be re-mailed and the period for response thereto be restarted.

Respectfully submitted,
KEIL & WEINKAUF
